

Forgot Password

Procedure

Introduction

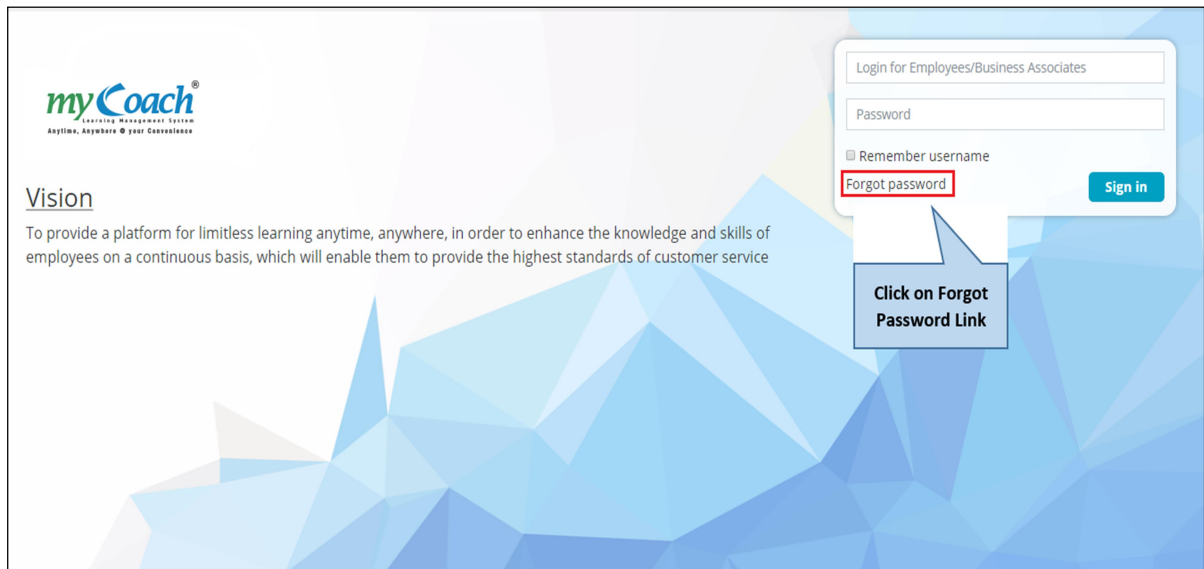

This document will explain the steps to be followed to reset your password in case you forgot your password.

The details required to reset your password are:

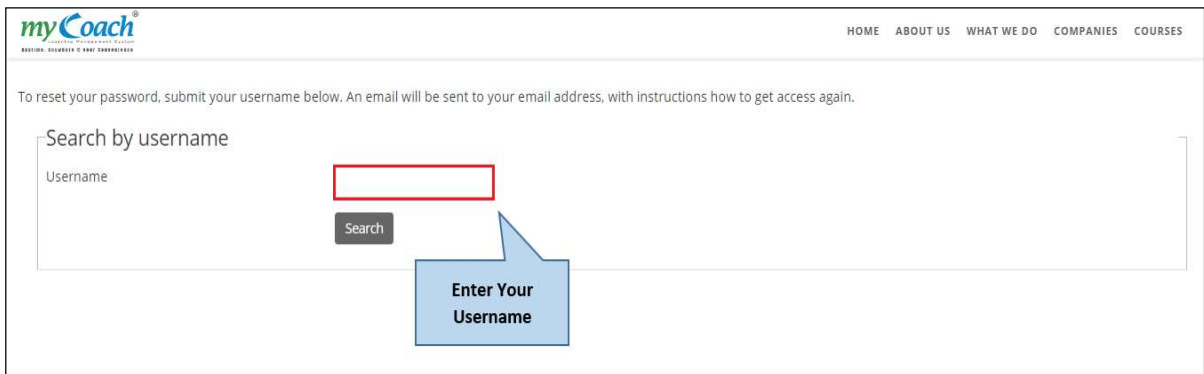

Your **Username, Registered Mobile No. and official Email ID**

After successfully resetting your password, you will receive the new password to your registered email id/mobile number allowing you to login to the LMS.

1. Click on the **Forgot password** link.

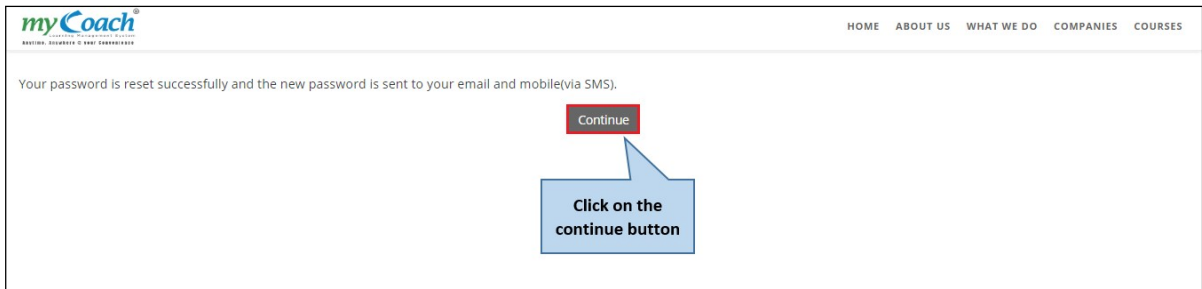

2. Enter your username in the textbox and click on the search button.

Forgot Password

3. Click on the **Continue** button.

4. You will receive your temporary **password** to the registered mobile number/email id. Now, login with your user id and temporary password received on your mobile. Since this is a system-generated password, you will be prompted to change this password for security reasons soon after you login.
